TLHOLOGELO NKATA

JUNIOR SOFTWARE DEVELOPER

060 6733 902 | Centurion, Gauteng | tlhologeloedward@gmail.com | www.linkedin.com/in/tlhologelo-nkata-b664b4229 | **TLHOLOGELO2019 · GITHUB**

Objective

Seeking an exciting opportunity as a web developer in a forward-thinking, fast-paced company where I can apply my technical and artistic abilities to create and manage websites that are visually appealing, responsive, and useful.

Experience

RICHFIELD PRIVATE COLLEGE

Junior IT Lecturer | March 2024 - *

- Provide student support in terms of career guidance
- The following modules are taught by me: computer architecture, database systems, software development, and software engineering.

MIWAY INSURANCE COMPANY

Software Development Intern | February 2023 - January 2024

- PHPStorm, Linux OS, GIT, Oracle PL/SQL, symphony framework, JavaScript, and PHP make up my tech stack.
- Enhanced efficiency and user engagement by designing and implementing bespoke CMS systems to match the specific needs of businesses.
- Work together with cross-functional teams to maximize SEO, user experience, and website performance.

Education

- Honours In Computer Science | June 2023 | University of Limpopo
- BS.C In Mathematical Sciences | December 2021 | University of Limpopo
- National Senior Certificate | December 2017 | Kgolouthwana Secondary School

Technical Skills

Proficient in a variety of programming languages, including PHP, Java, JavaScript, Python, C#, and SQL; has worked with modern web development frameworks like Laravel, .NET, Vue.js, and Symfony, as well as version control systems like Git, to create and manage responsive, user-friendly, and aesthetically pleasing websites. Additionally, skilled in developing and integrating RESTful APIs to facilitate seamless communication between client and server applications.

Personal Attributes

- Strong communication and collaboration abilities that allowed me to work with cross-functional teams, clients, and stakeholders to produce excellent results.
- Excellent in problem-solving, analytical, and decision-making skills.
- I have the ability to work independently, prioritize tasks, and meet deadlines in a fast-paced environment.
